Millgrove School

Accountability Pillar Summary Results Report

October 20, 2016

Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in grades four, seven and ten;
- Students in grades four through nine (small schools);
- Parents of students in grades four, seven and ten;
- Teachers.

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Student responses were grouped within the “*Tell Them From Me*” survey process. Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

Responses to the surveys were received from approximately:

- 20 Parents up from last year of 14. Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 413 parents responded to the survey;
- In Millgrove School, approximately 93 students responded to the survey;
- In Parkland School Division: 4,064 Students (1,449 in 4-6 | 1,230 in 7-9 | 1,385 in 10-12)
- 19 teachers responded.

These are approximate numbers as not every student, parent or teacher answers every question.

Millgrove School Highlights and Celebrations

- Millgrove school has traditionally scored high in almost all areas of the accountability pillar. This past year we were able to have improved in our School Improvement measure by 6%
- Millgrove has achieved very high in 6 out of 7 areas and are considered at the excellent level for 6 out of 7 areas that are measured in an early years school. We maintained this status in 5 of the 6 areas measured.

Areas Requiring Strategic Planning

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal: Inclusive Education, Quality Learning, Culture of Wellness, Universal Leadership.

Our school's plan for education aligns to the Board's Education Plan.

- The notable area for growth in our Accountability Pillar is under the work preparation. We have only received a low achievement in this measurement area while our citizenship measure increased.
- We have had this as a discussion point at our parent council and will move forward with a survey to parents, a discussion with staff and students to aid us in bringing this measure to a higher level.
- The second area for growth is find ways to link parents and students to services within our community. We are actively working on this with outside sources such as Parenting for the Future, our collaborative partner RCSD (Regional Collaborative Service Delivery) and Spruce Grove family and Community Support Services

Academically Derived measures are also provided on our school webpage. These 2015-2016 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Diploma Examinations (Acceptable and Excellence)
- Participation Rate

Measure by Measure – Survey Results for Millgrove School

A.1b Program of Studies Measure History: Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.

	2012		2013		2014		2015		2016
