3. January 2022 Meeting Minutes
 - 3.1. Motioned: Joella
 - 3.2. Second: Jamie (Aaron Normand)
4. Hot Lunch/Milk Program Update - Opens tomorrow to the 23rd of February for March orders, Jenna taking over Tuesdays for milk. Millgrove School Thought Exchange survey comments so far are that parents who responded prefer the monthly format for milk and hot lunch sales but would like healthier options for hot lunch. Foundation will look into healthier food options such as Freshi for next year and see how much more the cost will be and try it out.
5. Fundraising Update - Current fundraiser open until the 24th of February, pick up will be March 9th except for Pots and Pansies which will be on May 25th. Volunteers will be needed for both dates. Spellathon will run at the end of March to the beginning of April, Jackie will need volunteers and ideas for prizes. Ideas so far are 711 Gift Cards, Bubbles and Chalk. Parents who responded to the Millgrove Thought Exchange like that fundraising is sent out all in one package twice a year instead of throughout the year as single fundraisers.
6. New Business - One comment on the Millgrove Thought Exchange was that the foundation fundraising should be directed towards a specific item and that the parents shouldn't have to raise money that should be funded entirely by the government from tax money. The foundation is for extras for the children that are not part of what the

government gives the schools. Last year for example was the slide replacement for the outdoor playground that was damaged as well as additional supplementation to the library for additional books not covered by government funding. At the moment we don't know what the school needs and with covid haven't been able to do special events but will put out a survey to the school staff to get an idea of what the money would be best used for. The foundation will also get a list together of items foundations support and discuss with the principal Linda to go over what would be beneficial and discuss the next meeting.
