4. Hot Lunch/Milk Program Update
  - a. Finished the year with 319 hot lunch orders, 257 Booster juice orders and 78 milk ticket orders for the month of June. We average about 300 hot lunch orders a month and 200 booster juice orders a month.
  - b. Had approx 26 different parent volunteers for hot lunch and booster juice
  - c. 8 volunteers for the milk program
  - d. 11 volunteers for the snack shack program
  - e. 12 volunteers for the toast tuesday program
  - f. Total is approx 50 volunteers that helped with all these programs (some overlaps in volunteers)
  - g. Notes from last meeting - Possibly try adding Quizno's for next year as the manager as kids at the school. Also need to adjust Booster Juice for next year as it causes quite a big mess when kids don't finish. Maybe bring small garbage bags to each classroom specifically for the cups?
    - Thinking about switching up the pizza frequency for next year.
5. Fundraising
  - a. School apparel fundraiser, we had 70 orders and made \$886. The clothes turned out amazing. Should look to do it again in the fall and maybe add toques.
  - b. We finished the year making just shy of \$25,000! We raised this money through the fundraiser in the winter, the Spellathon, school dance and the school apparel fundraisers.

6. New Business

- a. We have used up most of the money in the casino account. The money went towards chrome books & carts for the school. We have just over \$1,000 left in the account which will go towards paying our casino advisors for our Dec 17/18 casino.
- b. Another cheque was written for \$20,000 towards the school wish list for the next year.
- c. Year end carnival/lunch - School is providing a Subway lunch. Still require a few more volunteers for June 24, 25 and 26 for making popcorn.
- d. For the next school year, Toast Tuesdays will switch to Wednesdays to give all the kinder classes a chance to participate.
- e. The Christmas concerts are taking place on December 15/16/17 2025. This does coincide with the Casino date on December 17th.
